## Have Fun, Support Local!

This game card includes local black-owned restaurants and other wonderful local businesses who have supported Cultivate Community Food Co-op over the years. We want to show our appreciation to those businesses by creating this fun, interactive BINGO game to encourage you to check them out and support them in return. Please be generous!

This game will continue throughout the pandemic and new vendors will be added to new cards. Winners will be picked during our monthly Third Thursday (Virtual) Potluck in the Garden. Contact us at [info@cultivatecommunityfood.coop](mailto:info@cultivatecommunityfood.coop) for the Zoom link.

Prizes are provided through donations from people just like you. Please consider donating during this Covid-19 crisis.

Want your local business included on our next game board? [email us!](#)
